B

WHEREAS, by resolution dated \_\_\_\_\_, 200\_ the Town Board of the Town of Milan agreed to accept this Conservation Easement; and

WHEREAS, Grantee is a municipal corporation as defined in Section 2 of the General Municipal Law and qualified under Sections 501(c)(3) and 17(h) of the Internal Revenue Code, and a "public body", as defined in ECL 49-0303(3), qualified under the NYS Environmental Conservation Law Article 49, Sections 49-0301 et seq, to accept a conservation easement; and

WHEREAS, Grantor intends, as owner of the Easement Area, to convey to Grantee the right to preserve and protect the conservation values of the conservation area in perpetuity; and Grantee agrees, by accepting this grant, to honor the intentions of Grantor stated herein and preserve and protect in perpetuity the conservation values of the Easement Area.

NOW, THEREFORE, in consideration of the above and the mutual covenants, terms, conditions, and restrictions contained herein, and pursuant the laws of New York State and in particular ECL Article 49, Title 3, Grantor hereby voluntarily grants and conveys to Grantee a conservation easement in perpetuity over the Easement Area of the nature and character to the extent hereinafter set forth (the "Easement").

1. Purpose It is the purpose of this Easement to protect the natural forested and open space condition of the Easement Area.

Am

2. Rights of Grantee To accomplish the purpose of this easement, the following rights, but not obligations, are conveyed to Grantee and its authorized agents, by this Easement:

(A) To preserve and protect the open space and forested character of the Easement Area pursuant

to values identified in the Town's master plan.

(B) In accordance with ECL 49-0305(6), to enter upon the easement area at reasonable times in order to inspect the Easement Area to monitor Grantor's compliance with and otherwise assure compliance with the terms of this Easement, it being anticipated that the easement may be inspected once per year, provided that such entry shall be upon prior reasonable notice to Grantor, and Grantor shall not unreasonably interfere with Grantor's use and quiet enjoyment of the Easement Area; and

(C) To prevent any activity on, or use of, the Easement Area that is inconsistent with the purpose of this Easement and to require the restoration of areas or features of the Easement Area that may have been damaged by any inconsistent activity or use.

3. Prohibited Uses The following activities and uses are deemed inconsistent with the purposes of the Easement, and

KGM

are prohibited:

(A) There shall be no industrial or commercial use of the land. There shall be no further subdivision of the property burdened by this Easement.

(B) No structures shall be placed on the land within the Easement Area.

(C) There shall be no alteration of natural wetland areas.

(D) Land within the Easement Area which is now forested shall remain forested.

4. Reserved Rights Grantor reserves to itself, and to its successors and assigns, all rights accruing from ownership of the Property, including the right to sell, transfer, lease, mortgage or otherwise encumber the Property, subject to this easement; the right to engage in, or permit others to engage in, all uses of the Property that are not expressly prohibited herein and are not inconsistent with the purpose of the Easement; and including the unqualified right to exclude others from the land by all lawful means. All rights, interests, and privileges of the Grantor in the Easement Area not specifically donated, granted, transferred and conveyed herein shall remain with the Grantor, its heirs, successors and assigns.

Specifically EXCEPTED and RESERVED from the grant of this easement are the rights and privileges described below, which are reserved to the Grantor, together with the right to grant the

Kjm

same or similar non-exclusive rights to others:

A. Horticultural and managed forest land, equestrian, passive recreational and open space uses. This shall include, without limitation, passive recreational use such as private trail walking, nature viewing and similar activities.

B. General maintenance of property, including pruning, cutting, planting, landscaping, and clearing of trees and other vegetative materials in accordance with generally accepted forest conservation practices.

5. Enforcement The Grantee may enforce this conservation easement against any violating party, in law or equity pursuant to the provisions of Article 49 of the Environmental Conservation law against any or all owners of the property forming the Easement Area, or any part thereof.

A. If Grantee determines that Grantor, Tenants, or any of its successors or assigns, is in violation of this Easement or that a violation is threatened, such enforcing party shall give written notice to the violating party of such violation and demand corrective action sufficient to cure the violation and, where the violation involves injury to the Easement Area resulting from a use or activity inconsistent with the

KM

purpose of this Easement, to restore the portion of the Easement Area so injured. If the violating party fails to cure the violation within thirty (30) days after receipt of notice thereof from Grantee, or under circumstances where the violation cannot be reasonably cured within a thirty (30) day period, fails to begin curing such violation within the thirty (30) day period, or fails to continue diligently to cure such violation until finally cured, Grantee may bring an action at law or in equity in a court of competent jurisdiction to enforce the terms of this Easement, to enjoin the violation, by temporary or permanent injunction, to recover any damages, including recovery of reasonable attorneys fees, to which it may be entitled for violation of the terms of this Easement, which damages shall be applied to defray the cost of undertaking corrective action within the Easement Area, and to otherwise require the restoration of the Easement Area to the condition that existed prior to any such injury. Grantee's rights under this paragraph apply equally in the event of either actual or threatened violations of the terms of this Easement, and Grantor agrees that

Grantee's remedies at law for any violation of the terms of this Easement are inadequate and that Grantee shall be entitled to the injunctive relief described in this paragraph, both prohibitive and mandatory, in addition to such other relief to which Grantee may be entitled, including specific performance of the terms of this Easement, without the necessity of proving either actual damages or the inadequacy of otherwise available legal remedies. Grantee's remedies described in this paragraph shall be cumulative. Where the party alleged to be in violation disputes the allegation that violation exists, the determination as to the existence of such violation shall be made by a court of competent jurisdiction.

- B. Grantee's Discretion Enforcement of the terms of this Easement shall be at the discretion of the Grantee, and any forbearance by Grantee to exercise its rights under this Easement in the event of any breach of any term of this Easement by Grantor shall not be deemed or construed to be a waiver by Grantee of such terms or of any subsequent breach of the same or any other term of this Easement or any of Grantee's rights under this Easement.
- 

C. Acts Beyond Grantor's Control Nothing contained herein shall be construed to entitle Grantee to bring any action against Grantor for any injury to or change in the Easement Area resulting from causes beyond Grantor's control, including, without limitation, fire, flood, storm and earth movement, from any prudent action taken by Grantor under emergency conditions to prevent, abate or mitigate significant injury to the Easement Area resulting from such causes.

6. Access No right of general access to any portion of the Easement Area is conveyed by this Easement.

7. Costs and Liabilities; Maintenance of Premises Grantor retains all responsibilities and shall bear all costs and liabilities of any kind related to the ownership, operation, upkeep, and maintenance of the Easement Area. Grantor retains this obligation to pay taxes and shall pay taxes assessed and levied on the Easement Area, but this shall not be construed as impairing the rights of any party to challenge the assessment of property pursuant to law.

8. Amendment This Conservation Easement may be amended only with the written consent of Grantee and all the then owners of the Easement Area. Any such amendment shall be consistent with the basic purpose of this Conservation Easement, and shall comply with Article 49, Title 3 of the Environmental

KSM

Conservation Law, Section 170 of the Internal Revenue Code and all applicable regulations.

9. Assignment This Easement is transferable, but Grantee may only assign its rights and obligations under this Easement to a qualified organization, at the time of the transfer, under Section 170(h) of the Internal Revenue Code of 1954, as amended, and the applicable regulations promulgated thereunder, and authorized to acquire and hold conservation easements under Article 49 of the New York State Environmental Law.

10. Extinguishment If circumstances arise such as render the purpose of this Easement impossible to accomplish, this Easement can only be terminated or extinguished, whether in whole or in part, in accordance with the provisions of ECL 49-0307.

11. Subsequent Transfers Grantor agrees to incorporate the terms of this Easement in any deed or other legal instrument by which it divests itself of any interest in all or a portion of the Easement Area, including, without limitation, a leasehold interest. The failure of Grantor to perform any act required by this paragraph shall not impair the validity of this Easement or limit its enforceability in any way.

12. MISCELLANEOUS MATTERS.

(a) Nothing in this Agreement, express or implied, is intended to confer upon any third-party any rights or remedies

under or by reason of this Agreement. Each party represents that it is entering into this transaction as principal for its own account and not as an agent for any other party.

(b) This Agreement is deemed to be a contract entered into and shall be interpreted under the laws of the State of New York; ~~except the provisions thereof pertaining to the conflicts~~ of laws. Any general rule of construction to the contrary notwithstanding, this Easement shall be liberally construed in favor of ECL Article 49. If any provision in this instrument is found to be ambiguous, an interpretation consistent with the purpose of this Easement that would render the provision valid shall be favored over any interpretation that would render it invalid.

(c) Each party will, at any time and from time to time, at the request of any other party, make, execute, acknowledge and deliver, or cause to be done, all such further acts, deeds or other documents as may reasonably be necessary or appropriate to carry out the provisions of this Conservation Easement, or which are necessary to qualify this instrument as a conservation easement under ECL Article 49, Title 3 or any regulations promulgated pursuant thereto.

(d) This Agreement, together with the terms and conditions in effect from time to time, constitutes the entire agreement of the parties as to the subject matter hereof, supersedes all prior understandings (whether written or oral) and

may not be amended or modified except by a written document signed by both parties and stating that it is intended to amend this Agreement.

(e) Each party represents to the other party that it has the power and authority to execute, deliver and perform this Agreement, that all actions necessary to authorize the execution, delivery and performance of this Agreement have been duly taken, that it has duly executed and delivered this Agreement and that this Agreement is legal, valid and binding on it, and enforceable against it, in accordance with its terms.

(f) The parties understand that the Supreme Court, Dutchess County, New York, shall have exclusive jurisdiction of any disputes arising therefrom and that all disputes shall be tried before the Court without a jury.

rights and obligations under this Easement terminate upon
